#### 8. Treatment and Payment of Claims.

- All creditors must timely file a proof of claim to receive payment from the Trustee.
- If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the plan, the creditor may be treated as unsecured for purposes of distribution under the plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge.
- If a claim is listed in the plan as secured and the creditor files a proof of claim alleging the claim is unsecured, the creditor will be treated as unsecured for purposes of distribution under the plan.
- The Trustee may adjust the monthly disbursement amount as needed to pay an allowed secured claim in full.

**9. Vesting of Property of the Estate.** Property of the estate shall revert in the debtor(s) upon confirmation of the Plan. Notwithstanding such vesting, the debtor(s) may not sell, refinance, encumber real property or enter into a mortgage loan modification without approval of the Court after notice to the Trustee, any creditor who has filed a request for notice and other creditors to the extent required by the Local Rules of this Court.

**10. Incurrence of indebtedness.** The debtor(s) shall not voluntarily incur additional indebtedness exceeding the cumulative total of \$5,000 principal amount during the term of this Plan, either unsecured or secured against personal property, except upon approval of the Court after notice to the Trustee, any creditor who has filed a request for notice, and other creditors to the extent required by the Local Rules of this Court.

#### 11. Other provisions of this plan:
